FSK 100 CARTRIDGE KIT

This fork spring kit is an upgrade for small sports and street bikes with conventional forks. The kit is designed to improve handling, cornering; braking and give the rider a noticeable improved feeling in all areas. The kit consists of a replacement top cap and higher performance rate springs. The replacement top cap also provides an external spring preload.

All applications are tested and customized to fit models such as the Yamaha R25/R3, Kawasaki Ninja 250/300 and Honda CBR 250/300 but also street bikes such as the Yamaha MT-07, Honda CB650F and Kawasaki ER6N.
